Welcome

- In your career/life has there been a time when you made some life changing decisions? Change of location? Change of entire career path?
- What process did you use to be certain that this was the best direction for your life?

Word

As Christ followers, our highest goal is to do, and be, and go where He directs and opens doors. Let's consider the following verses to see the process of coming to "know" what that direction may be.

1. Read Hebrews 10:19.
 - a. How does this verse apply when we are trying to determine God's direction for our lives?
 - b. What would be our purpose in that place?
2. Read Jeremiah 29:11.
 - a. Though the ultimate plan may be good, can there be pain in the process? Discuss.
 - b. To whom are we most accountable in carrying out a plan for our lives?
3. Read John 10:27.
 - a. What/who does the sheep represent here?
 - b. When the sheep hears God's voice, what is he to do?
4. Read Romans 8:14.
 - a. What guidelines can we use to determine if this is God's spirit speaking?
 - b. What is the outcome of God's direction and wisdom. Read James 3:17.

Weave

- This week as you consider the changes that are taking place here at Mercer Creek Church, how can you be an agent of peace and unity in this transition?
- What do you need to do to hear what God is saying to you personally as you walk out your feelings and uncertainties in this process?
