God, Money and Me

Cultivating a Heart of Generosity

Talk by Scott Sinner

Acts 2:42-47

Welcome

- Read Matthew 6:24. Why do you believe this to be true?
- Read Luke 6:38. According to Jesus what two things go hand in hand? Share a time this has been true in your life.

Word

1. Read Acts 2:42-47. What were the three things talked about at the weekend service that the early church practiced to cultivate a heart of generosity?
2. Read Psalms 24:1. How does knowing and accepting the truth in this Psalm change the view of our earthly possessions?
3. Read Acts 3:1-8. Peter and John had no money to give. What were they generous with?
4. Read Philippians 4:19. How does our belief in this promise relate to our willingness to be generous?

Weave

- Which of the three areas of generosity is the strongest in our church? Strongest in your life? As a church, which one needs the most work? Individually, which one do you need to work on?
- Do you think the kind of generosity modeled in Acts 2 can be duplicated in churches today? Why? Why not?
- Where is God asking you to be more generous?
