

LEARNING TO FOLLOW

Radical!

Mark 2:1-3:6

Eric Hoehn

Key Question

Is the Kingdom of God so radically different from our world, from our culture, and even from our own lives that, if we decide to follow Jesus, there may be a violent reaction?

Definition

Dissonance - a tension or clash resulting from the combination of two disharmonious elements.

Dissonance 1

Jesus is the only King and the only Way.

Dissonance 2

Jesusthink trumps Groupthink every time.

Main Point

Jesus is the King of a radically new kingdom that will bring radical change, result in radical opposition, and require radical commitment by those who are radical enough to follow Him.
