

Strangers in a Strand Land

Always Better

1 Peter 3:18-22

Eric Hoehn

Key Question

What makes unjust suffering always better than any other kind of suffering?

Reason 1

The Example of Jesus

Reason 2

The Example of Noah

Main Point

Unjust Suffering is always better than suffering for any other reason because Jesus, through His own suffering, defeated the power who is behind all suffering and releases His power through our unjust suffering.
