

**The Story of Abraham**  
Go... and I Will Show You  
Genesis 12:1-3  
Richard Eng

**The Big Picture**

- The story of Abraham centers around God's covenant with him.

**The Context**

- God intervened to expose false gods, and to show Abraham who He really is.

**Three Lessons**

1. Abraham's real story did not begin until God called him.
2. God's call was for Abraham to begin a new family trajectory.
3. God's call to Abraham reveals the tension of faith and control.
