

LEARNING TO FOLLOW
Recognizing the Warning Signs
Mark 9:14-50
Eric Hoehn

Main Point

If left unchecked, pride will damage every aspect of our lives. We should learn to recognize its warning signs and ruthlessly remove its poisoning presence.

Warning Sign 1

Self-reliance

Warning Sign 2

Self-importance

Application

Three targets for radical removal

Summary

We are being constantly reminded to pay attention to the warning signs. Whether it be issues of our health, our relationships, our finances, and even our cars, there are some conditions that are so serious we would be unwise to ignore the signs that something might be wrong. What if there is a condition that, if left unchecked, would be disastrous for our relationship with Jesus and with the people around us? If such a condition exists, what are the warning signs?
