

Careless Calculations

Malachi 3:13-3:18

Pastor Eric Hoehn

Introduction:

Question: When deciding on the VALUE of our relationship with God, what if our CALCULUS is off?

Main Point: To fully appreciate the VALUE of following Jesus, we must be certain that we are focusing on the right VARIABLES.

Careless Calculus: When we FOCUS only our CIRCUMSTANCES.

Principle: Quit WORRYING about what our CIRCUMSTANCES will do to us.

Principle: Start ANTICIPATING what God will do THROUGH our circumstances.

Careful Calculus: When we FOCUS on our KING.

Principle: Our circumstances are REAL, but they should always be filtered through the THRONE ROOM of our KING.

Promise: God HEARS us, God REMEMBERS us, God ACTS on our behalf.
