Standing for Inspection

Mark 11:1 – 25

Eric Hoehn

Main Point

If we hope to stand when Jesus makes His inspection, we should seek to know and live out all that Jesus expects.

Point 1

Jesus often makes surprise inspections

Point 2

Jesus expects us to live up to His expectations.

Summary

There is nothing more frustrating than believing you are meeting expectations only to find out later, when the inspection comes, that you have missed the mark. What are Jesus' expectations for His church? How will we know if, as a church family, we are doing what Jesus expects us to do? Can we be certain that we will pass His inspection? If we want to stand as a church when Jesus makes His inspection, we should seek to know and live out all that Jesus expects.
