

## **LEARNING TO FOLLOW**

Without Reservation?

Mark 12:13-44

Eric Hoehn

### **Main Point**

We were created to love God without reservation, and we will never find rest until we do.

### **Point 1**

We must settle the question of who we are.

### **Point 2**

We must settle the question of what we were created to do.

### **Point 3**

We must settle the question of why it is so hard for us.

### **Summary**

What if we were created for a wonderful purpose? What if that “wonderful purpose” has been knit into the fabric of our beings and until we embrace it, we will never find the fulfillment that we desire? We were created to love God without reservation, and we will never find rest until we do.
