WEEK THREE | PASTOR BOB JOHNSTON

God How did Israel get here?

- ◇ Exodus 14:1-2
- ◇ Exodus 13: 18
- ◇ God purposely lead them to this place.

Trust Wherever He Leads.

- ◇ When God leads us to a dead end, it is to teach to trust Him for the way out.
- ◇ Just because you may have your back against the wall, does not mean you are out of the will of God.
- ◇ God cannot lead you to cross the Red Sea, until God leads you to come to the Red Sea.

Obey God.

- ◇ "Be Still"
- ◇ Psalm 46:10
- ◇ You trust wherever God leads, then you obey God whenever He speaks.

Glorify God Whatever He Does.

- ◇ Everything that God does for us is not just for His glory, it is by His grace.
- ◇ Remember God's promise.

GROW | Small Group Questions

1. The parting of the Red Sea was a significant moment in Israel's history. Even today, we may face "Red Sea Moments." (Red Sea Moment: no way out, everything points to failure and defeat—if you live long enough, you'll have a moment like this.) Have you gone through a Red Sea Moment? Are you going through one now? Share your experience of how critical it was to rely on God.
2. Read Exodus 14:16. Discuss: God's simple instruction to Moses as he faced the sea; What Moses must have felt in this moment; What he had to do before he saw the sea parted.
3. Pastor Bob mentioned we must Trust where God leads". How do you respond to someone who questions: How do I trust a God I cannot see? Share a Scripture you rely on or go to when you face difficulty situations.
4. Read Exodus 14. What is your response to what is happening? What key words can you highlight from the text?
