

1 Peter 3:1-7

Getting Started

Is there a woman in your life that displays the inner beauty Peter is talking about here (purity, reverence, a gentle and quiet spirit)? Explain the impact that has had on your life.

Discussion

What stood out from this past weekend's sermon? What did you hear that was new? Was there anything particularly beautiful?

In v. 1 when Peter says "in the same way" what is that in reference to? Why is Peter encouraging these women to "submit themselves" to their husbands?

We idolize outer beauty. Why? Talk about some of the effects you see that having on you and on society (think specifically about marriages/dating/singleness).

Why is this inner beauty "of great worth in God's sight"? How do we cultivate it in our lives?

Summarize what Peter is saying to husbands in v. 7 in your own words. What does that mean practically for husbands today?

As you go

This week is full of very personal content; difficult marital situations, body shame, self-hatred, singleness/dating, etc. These are all things you cannot go at alone. Talk to a close friend about what God is pressing on your heart from the text, your discussion, and/or the sermon.

Prayer

Pray for any needs anyone has and share any ways that God has shown up in your life.

Pray that the Holy Spirit would form inner beauty in you as individuals and as a group so that Jesus may shine through your actions.
