

## John 7

### Getting Started

Read John 7 and share your initial impressions of the chapter.

### Discussion

How did the sermon touch on some things you saw in John 7?

Why was Jesus against going to Judea? What changed for Him to go there anyway?

Jesus sought to follow God's will in everything He did. How do you see this work out in this chapter? What was the cost of following?

Why is it important to follow God's will no matter the cost? How have you benefited/struggled following Him?

Jesus invited people to come to Him to drink. What does He mean by this? How have you experienced this in your life? What role do spiritual disciplines play?

### As you go

Have you been drinking deeply from Jesus and His Word, or are you trying to do things on your own? What can you change today to help you move closer to Jesus?

### Prayer

Read Jeremiah 2:13 together.

Pray for God to give you a desire to seek after Him in all things, and to not abandon Him or try to do it in your own power.
