

Matthew 3:13-4:11

Getting Started

Who is your favorite superhero and why?

Discussion

What do you remember from the sermon that you would like to discuss further?

Read Matthew 3:13-17. How does the Father describe Jesus? If the Father would speak over you in a similar way, how would you want him to describe YOU?

Who leads Jesus into the wilderness to be tempted? What is your initial reaction to that?

How does the devil start his first two temptations? Why is that significant?

So often, the strategy of the devil isn't to tempt us with a "thing", but rather to tempt us to not believe who God is and who God says we are. Thinking about your own life, how have you experienced the enemy attacking God's identity and your identity in the past when you've been tempted?

As you go

Jesus uses Scripture to fight the enemy. What is one way you can engage with Scripture to be better prepared to battle (ie. meditation, memorization, reading large chunks, etc.)

Prayer

Who has a need they would like the Group to pray for? How about a story from this past week of victory and praise?

Pray over anyone who feels especially under the attack of the enemy.
