

John 16:4-15

Getting Started

If you could have any superpower, what would it be and why?

Discussion

What stood out to you from this sermon?

Put yourself in the disciples shoes when Jesus says, "It is to your good that I'm going away." (vs. 7) What might they have been thinking or feeling? Why is it to their advantage that He goes?

What do we learn about the Holy Spirit and why is He so important? (For more insight, read John 14:15--John 15)

How have you seen the Holy Spirit play the role of a Counselor in your life?

The Holy Spirit is the Spirit of Truth. Why is knowing the truth so vital? What happens when we don't live by truth? How are you seeing this play out in our world today?

As you go

When we place our faith in Jesus Christ, the Holy Spirit takes up residence in our lives. The Holy Spirit lives in us to help us. Are you relying on the Holy Spirit for guidance or are you trusting in your own understanding?

Prayer

We are commanded in Ephesians 5:18 to be filled with the Spirit.

Play some worship music and give space for individuals to do "business with God."

- **Ask** God to reveal any sin that is hindering your fellowship with Him.
- **Confess** your sin and receive God's forgiveness. (1 John 1:9)
- **Invite** the Holy Spirit to fill you afresh with His power.

End your time by singing and praising God together as a group.
