

John 17:6-19

Getting Started

What is something you pray for on a regular basis?

Discussion

What impacted you from the sermon this weekend?

Who is Jesus praying for and why? What specific things does He pray for and why are each of these things important?

Out of all the things Jesus prayed for, what is the most desirable to you right now and why?

Jesus says his disciples are not of this world (vs. 14). Why is this an important concept for a disciple to grasp? How does it help knowing you are not of this world?

We see Jesus' heart of grace for His followers in this prayer. Why is it so hard to believe God is for us and not against us?

As you go

Choose one specific thing from Jesus' prayer and pray it every day this week.

Prayer

Share one good thing from your week and praise God for His goodness.

Share one specific thing you would like to grow in (i.e. more joy, boldness, love, etc) and pray for this for each person.
