

Celebrating the Resurrection

Getting Started

What is the most meaningful celebration you have ever been a part of?

Discussion

What do you remember from the sermon that you would like to discuss further?

What are the three things that “Jesus knew” in John 13 as he was preparing for the cross? Why are they significant to us today?

John 14:1a says “Don’t let your hearts be troubled...” What is the basis of this invitation from Jesus?

Why is Jesus’ resurrection important? (There are many theologically accurate answers to this question...but the goal is to think about it personally...why is it important *to you*?)

John 14:6 Jesus says, “I am the way, the truth, and the life.” Reflect on that verse as a Group and discuss how it speaks to God’s people and the world.

What is one area in your life where you have seen the transformation and new life of Jesus?

Prayer

Pray for any needs anyone has and share any ways that God has shown up in your life.

Who do you know that doesn’t know, love and follow Jesus? Take a minute of quiet and ask the Holy Spirit for one name (for each person) to pray for as a Group and individually this coming week.

As you go

Creation, Fall, Redemption, Restoration...this is a simple way to understand the story of the good news of Jesus. Think through the story using these words this week. Meditate on it in order to stir your heart for this beautiful good news. Pray that the Holy Spirit would give you an opportunity to share this good news with someone this week.
