

FOR THOSE WITHOUT NOCTURNAL VISION

ROMANS 1-4

Romans 1-4

Getting Started

What is the coolest/wildest thing you have ever seen in nature?

Discussion

What do you remember from the sermon that you would like to discuss further?

What have you experienced as some of the challenges of being a Christian in your generation?

Read Romans 1:18-26. What stands out to you in this section about God's wrath? Discuss

How do you think God feels about people? Explain your answer.

What does it look like to live like God is real and the gospel is true? Why do some people call themselves a Christian, but then live like God is not real?

Prayer

Pray for any needs anyone has and share any ways that God has shown up in your life.

- 1.) Have someone read Romans 5:1-2 out loud.
- 2.) Then just sit in silence for 2-3 minutes pondering the truth in those verses, silently asking the Holy Spirit to "show us more" or "reveal more".
- 3.) After the silent meditation and prayer, begin to pray out loud and thank God for what he is revealing to you in those verses.

As you go

Read Romans 3:21-26 every day in the next week. Read it slowly and out loud. Talk to God and a trusted friend about what stands out to you. Commit some or all of it to memory.
