

## Mark 4:35-41

### Getting Started

What is a fear you remember having during childhood?

### Discussion

What do you remember from the sermon that you would like to discuss further?

What do you think makes fear such a powerful emotion?

What is the first thing the disciples ask Jesus in the storm? How does this compare to your initial response in storms?

When the storm hits, where is Jesus? What is he doing? How does that compare to the disciples? What does all of that teach us about Jesus?

What storm are you in? Have you seen God in the storm? Where?

### Prayer

Who has a need they would like the Group to pray for? How about a story from this past week of victory and praise?

Pray for those who are in storms...that God would visit them with his comfort and intimate care.

### As you go

Who in your life is in a storm? How can you bring them the presence of God this week? We would be wise to heed James 1:19 when blessing those in storms where we are told to be "quick to listen and slow to speak."
