

Keep Your Hands Raised

Exodus 17:8-16

When you raise your hands toward God you are directing attention toward Him, depending on Him, and are exalting Him.

Keep your hands raised for their sake!

- It inspires them and intercedes for them.

Keep your hands raised for your sake!

- It keeps your properly focused and powerful.

Whenever you lower your hands, the enemy begins to prevail.

Sometimes you need people to hold up your hands for you.

Sometimes you need to be holding up someone else's hands.
