

Unstoppable

Matthew 13:31-33, 44-46

The Kingdom of God/Heaven is wherever God's will is being done on earth.

The Kingdom of God is unstoppable because...

- It can grow anything, so don't get discouraged in your service, you never know where it will end...
- It will transform anything, so don't get too comfortable.
- It is worth everything, so make everything as an investment into the Kingdom.
