

**Invitation**

Matthew 22:1-14

YOU are invited to a feast at the Lord's feast.

Doing God's will is the food at the feast.

Have you ever ignored God's invitation for second bests?

Have you ever resented the Lord's invitation because it threatens you?

Everybody is invited to the Lord's feast: that means you and them.

The invitation is there but you must come on the Master's terms.

The real tragedy is not the punishment but rather what we miss out on.
