

A Jealous God
Exodus 32; 34:14

“It is Jesus’ claim that obedience to Him is the only sure foundation for life.” - William Barclay

Why do we so quickly replace God?

1. We get too used to God’s presence.
2. We get impatient.

Why does God react so strongly to sin?

1. God is righteously jealous.
2. He loves us.

How can you survive the wrath of God? If someone else intercedes for us.

What is always the punishment for idolatry? We will suffer our idol’s downfall.

Jesus Christ was blotted out for you.
