James 2:1-13

Holding faith in Jesus Christ changes the way we see ALL people.

How do you measure the value of a human being?

1. Genesis 1:27
2. John 3:16

The evil thought: A person's value depends on what I can use them for.

- Choose to see people as God sees them.
- The ones you use will end up using you.
- Remember, partiality is a sin like any other sin.
- This is not a guilt trip, you are free to obey God!
- Always choose mercy over judgment.
