“The greatest threat to the church today is not from outside but inside. It is the watered-down counterfeit gospel that is nothing more than Esau’s stew of worldly gratification that doesn’t save. The continuous abandonment of sound doctrine for self-help therapy that makes Christianity the path to success in the here and now. Fundamentally, we have lost an understanding of the mission of the church and the believer and replaced that with self interests. Christianity isn’t dying in America it is dividing” *Sinclair Fergusson*

How can we know the way?” 6 Jesus said to him, “I am the way, and the truth, and the life. No one comes to the Father except through me.””
