**Introductory notes:**

**Three Observations from Jesus' Last Request for His Disciples**

1. **An authentic Christianity assumes a** \_\_\_\_\_  
\_\_\_\_\_.

This is a prayer for sanctification for \_\_\_\_\_ ministry.

Sent =

The disciples would be sent on a \_\_\_\_\_ mission, bearing a unique \_\_\_\_\_, by virtue of the One who sent them.

Notes on the other Gospel's emphases on the sending:

Life has not been given to you as an experiment in self-  
\_\_\_\_\_.

Two things believers need to be on guard against:

A. Cultural \_\_\_\_\_. (\_\_\_\_\_ on the world.)

B. Cultural \_\_\_\_\_. (A decisive and radical  
\_\_\_\_\_ from the world.)

You abdicate your \_\_\_\_\_ as a Christian if you have no meaningful  
\_\_\_\_\_ with this world for the sake of Jesus Christ and the  
\_\_\_\_\_.

2. **A meaningful worldliness presupposes a** \_\_\_\_\_  
\_\_\_\_\_.

What Jesus means by 'sanctify':

Scriptures are themselves the ultimate \_\_\_\_\_ of what is  
\_\_\_\_\_ and every other claim to \_\_\_\_\_ must be  
measured against them.

The Scriptures cannot be understood apart from their \_\_\_\_\_ -  
\_\_\_\_\_ emphasis.

\_\_\_\_\_ is the efficient \_\_\_\_\_ by which sanctification is  
achieved.

The sanctifying work of the God the \_\_\_\_\_ will be \_\_\_\_\_  
by the redemptive work of God the \_\_\_\_\_.

3. **A consistent sanctification necessitates a** \_\_\_\_\_  
\_\_\_\_\_.

Jesus will \_\_\_\_\_ the sanctifying grace He here requests His  
Father to \_\_\_\_\_.

The sacrifice of Jesus is \_\_\_\_\_.

The self-consecration of Jesus is \_\_\_\_\_.

**Jesus' Request Summarized**

**Sanctification for mission is the achievement of the \_\_\_\_\_.**
