**How can I worship Christ this Christmas?**

Ways I can glorify God by worshiping Christ in every situation and encounter this Christmas:

**Prayer for Christmas**

Lord, I do not want to mimic the world in any way when it comes to what Christmas is all about. As I prepare mentally, emotionally, and spiritually to celebrate Your unspeakable gift in Jesus Christ, show me how to make the holiday all about You, all about your indescribable glory, and all about the greatness of Your love. May I view each day as a day to worship You, to adore You, to honor You before others by the way I live, and to speak without shame about Your Son to others so that they might know about the gift of life, which is found only in receiving the gift of Your Son. Show me ways to share with others the true meaning of Christmas every day of the year. May the truth of God radiate from me like the light of Your glory!
