**CHAPTER 7 REVIEW (SO FAR)**

1. Daniel 7 predicts the rise and fall of five kingdoms: The Babylonian, Medes and Persians, Greek, Roman and the Kingdom of Satan (led by the Antichrist).
2. We have already seen, historically, the beginning and end of the first four of these kingdoms.
3. The Antichrist has yet to establish his earthly kingdom—that will come.
4. Daniel also predicts that God will establish His kingdom on the earth to restore—once and for all—the Earth to its original splendor.
5. We also learned that each of us will one day stand before the Throne of God. We saw ourselves...
  - Standing before the "Seated One"
  - Looking around the "Seated One"
  - Looking at the three books before the "Seated One"
6. We also learned that the Antichrist will *"use every kind of evil deception to fool those on their way to destruction, because they refuse to love and accept the truth that would save them."* - 2 Thessalonians 2:10ff
