WEEK OF JULY 19 - Be wise. Learn from leaders.

Memory Verse: "My child, listen when your father corrects you. Don't neglect your mother's instruction." — Proverbs 1:8 NLT

TALK ABOUT IT

What do you think this week's Bible verse has to do with being wise?

Can you think of someone in your life who is really wise? What makes them seem wise to you?

What's the best piece of advice a grown-up has ever given you?

You're a leader too — what do you think other people could learn from watching you?

PRAY TOGETHER

Ask your child if there's anything on their heart to pray about this week. Try: "God, help us be wise enough to learn from the people you've put in our lives. Amen." Then invite them to add on if they'd like.
