Greetings, Church! This is the fifth annual report for Colorado Freedom Church. We celebrate our anniversary on March 18<sup>th</sup>. We are excited for the future of our faith family.

Freedom Church was born out of the conviction that the only road to true freedom runs through Jesus Christ. John 8:36 – “If the Son sets you free, you are free indeed.”

Relational Christianity continues to be key to the growth of God’s Kingdom. We are returning to the social climate of the first century where our lifestyles are the primary way we introduce our friends, neighbors, and coworkers to the love and light of Christ. We must see ourselves as agents of God’s grace each morning we wake up. Believers in Jesus need community now more than ever. This is why the word “community” is going to be a focus for us in 2023.

Here are some of the highlights from 2022:

- Continued partnership with Compassion Food Distribution impacting hundreds of families each month. Many expressed sincere gratitude and we were able to pray for many of them-for healing, restoration of relationships, and God’s provision. Since we have stopped this outreach, how can we still be involved in meeting practical needs in Cimarron Hills?
- Sunday night dinners have provided a venue to begin experiencing community (for the youth and adults). How can we strengthen this in 2023?
- Start of a preschool class during Kids Korner. What kids from your spheres of influence can you invite to Kids Korner on Sunday mornings?
- A combined worship gatherings in the park with True Life Community Church and Incline Church.
- Over \$2,000 given in benevolence to folks from Freedom Church. What other needs can we meet?

The Stewardship Team and Global Outreach team remains committed to donating 10% of our general fund offerings to the mission field. In addition to our monthly support (see below), we sent \$500 as a gift for the newly married pastor of Bethel Berean (Samuel).

We look forward to what God is going to do in 2023. Here are some of our prayers:

- Appointment of local shepherds and deacons to come off provisional status with the BFC.
- Seeing an increase in new believers through the corporate witness of Freedom Church.
- Global Outreach trip to Nashville, TN in June.
- Start of community groups.
- Expanded participation in our #PrayCH initiative.
- Sending kids and youth to summer camp at Maranatha Bible Camp.

How can we be in motion and on mission together this year?

Thank you for supporting, attending, gathering with, and praying for Freedom Church.
