## 2. God shakes things up to correct me.

*“God corrects all of his children, and if he doesn’t correct you, then you don’t really belong to him. Our earthly fathers correct us, and we still respect them. Isn’t it even better to be given true life by letting our spiritual Father correct us? Our human fathers correct us for a short time, and they do it as they think best. But God corrects us for our own good, because he wants us to be holy, as he is. It is never fun to be corrected. In fact, at the time it is always painful. But if we learn to obey by being corrected, we will do right and live at peace.”*
