WELCOME

Welcome to a time of building relationships with others and enjoying an encounter with God. When like-minded people gather to praise the Lord there is freedom and joy. Thanks for being a part of this wonderful experience.

Homework - Read Romans 13

Imagine having a bodyguard with you 24 hours a day. One that is all knowing, all powerful, can see the past, present, and future. He never sleeps or takes a break. You might be thinking that is impossible. Well what if I told you not only is it possible but it's free for you! That's what God is for us. He's our bodyguard, and He paid the price for it, not us. Where can I find help?

My help comes from the Lord, the maker of heaven and earth...The Lord guards you from every evil. He guards your life. The Lord guards you as you come and go, now and forever. Psalm 121:1-2, 7-8 GW

The Women's Ministry has not only been learning how to "worry less" but we have also been learning how to spend more time with God. When we declutter our lives both physically and spiritually, we free up time and space to spend with God, giving Him more room in our lives. When we pray more and worry less, we can have a greater relationship with our full time "bodyguard".

Youth updates

We want to be difference-makers. But it's easy to get caught up in the everyday stuff of life until the years slowly go by, and with each passing year, the question seems to get louder: Am I making any difference in this world? Making a difference isn't measured by a viral post or a name on a building. It isn't determined by a following or a fan base. Making a difference isn't dependent on what's in your bank account or who's in your contacts. Want to make a difference? Focus on the one. That's it. That's the secret of the way of Jesus. One at a time. The youth is in a series called "One At A Time" where we will explore and learn how to make a difference...one at a time.
