Nursery Updates (Birth to PreK)

"We don't want to limit what God can do in our children by trying to parent them alone- Trust God to take care of them." -Stormie Omartian

Children's Church Updates (Grade K-5)

This month, the children will continue learning about the Fruit of the Spirit.

In the New Testament, believers are called to bear fruit from within. These attributes are placed into our innermost being by the power of God's Word (1 Peter 1:23) through the agency of the Holy Spirit. Therefore, it is in a born-again Christian's nature to operate in Love, Joy, Peace, Faithfulness, Patience, and all the fruit of God's Spirit. We will be discussing the impact of this wonderful deposit God has put into the hearts of His children.

It is our prayer that our kids will hold tight to God's word and grow in their faith.

The children are taught Bible truths through puppet skits, interactive Bible studies, object lessons, crafts, and much more.

Sarah Joannou and Connie Warren are leading the classes.

Youth Updates (Grade 6-12)

What we think about Jesus matters. Our perception of Him shapes us—what we say, how we treat others, even what we think. If we paint Jesus as any less than who He is as supreme over all creation and savior of the world, not only does our theology slip, but the working out of our faith also suffers.

The youth will be studying the book of Colossians to help form a complete picture of Jesus. What we believe about Him influences everything from our corporate worship to our relationships to our attitude toward sin.

Now alive in Christ, we can live a life worthy of God instead of falling back into the ways of the world.

Wednesday Bible Study Updates

Join us for prayer 6-6:50 pm Bible study will be 7-8 pm

This month, we will begin to explore the Book of Acts.

Wonderfully, what Jesus began in His earthly ministry still continues today.

There is a real sense in which the Book of Acts continues to be written today - not as in an official spiritual sense, but in the sense of God's continued work in the world by His Holy Spirit, through the church.

Won't you join us each Wednesday evening to learn new insights and revelation on our purpose as individuals and of the purpose of the church in these changing times? Our time together is not only insightful but also strengthens our relationships with one another in the bond of Christ.
