WELCOME

Welcome, Dear Friend, to New Life of Currituck. If you are here, you are family. It is exciting to come in as an individual and be together as a group of people together on a journey. We have often heard the phrase it is not about the destination but how you get there. The writer of Hebrews tells us to encourage one another along this journey in the matter of sharing God's love and to strengthen one another to help each other along the way. This is not just our mission here at New Life, but it is our passion and joy. We pray you enjoy the journey together today. Blessings, -Pastor Dan and Dorcas Bergey

Children's Church Updates (Grade K-5)

We have begun a 13-week series teaching about the Holy Spirit. The Holy Spirit is called our Comforter. During His earthly ministry, Jesus emphasized the importance of being filled with the Holy Spirit. The promise of the Holy Spirit is to us and our children (Acts 2:39). Because of intense peer pressure, our kids need the Holy Spirit's power to resist the unseen forces of the world and to walk in the power of God to resist the enemy.

We teach the kids using illustrated interactive Bible sermons, puppet skits, object lessons, games, and much more. It is our prayer for the children to grow in faith, have a growing relationship with Christ, and to be soul winners for God's kingdom. As children's workers here at NLCF, we count it a privileged to be able to speak into their young lives.

Wednesday Bible Study Updates

Join us for prayer 6-6:50 pm

Bible study will be 7-8 pm

In our Wednesday Night Bible Study, we begin a study on the Cost of discipleship. Drawing from Jesus' Sermon on the Mount, we will explore Jesus' call to discipleship and what it means for followers of Jesus today. May we be inspired by the gospels' picture of the first church and become captive by God's call on our own lives

Worship Team Updates

Why does it feel so hard to worship? Because it's not just singing. Worship is warfare. It's not Christian karaoke. When you're singing, you're shattering the eardrums of demons. When you're shouting, you're breaking chains. When you dance, you're shaking the ground.

Youth Updates (Grade 6-12)

Even the most mature believers face dark nights of the soul. During those times, God seems distant, His Word feels dry, and the vibrant intimacy we knew before seems absent leaving us wondering, "Where is the Lord in this?"

The Youth is continuing a 10-week study on Psalms 119 where we will be digging into God's Word and exploring how it demonstrates His power in the lives of believers and the covering that God provides us, like a warm blanket for the soul.
