WELCOME

Welcome to a time of building relationships with others and enjoying an encounter with God. When like-minded people gather to praise the Lord there is freedom and joy. Thanks for being a part of this wonderful experience.

Today's Service

Welcome - Pastor Mark

Worship - New Life Praise Team

Message - Paul Warren

The Temple. The Battle, The Victory

Closing - Pastor Mark

The pains and struggles of life can weigh us down and cause discouragement and lack of passion. Encouragement is what lightens the load of our soul. With it relationships can be mended from brokenness and healing can reveal the joy that rests beneath the surface through Jesus Christ in our hearts and minds. Lighten someone's soul today with a word of encouragement.

"Encourage the exhausted and strengthen the feeble. Say to those with anxious heart, take courage, fear not behold, your God will come with vengeance. The recompense of God will come, but He will save you." Isaiah 35:3-4

Youth updates

Teenagers are constantly advised toward one extreme after another. Their parents and teachers likely push them toward maturity and responsibility. Friends usually suggest conformity to peers and pursuing that which will bring the most immediate pleasure. With all of these conflicting views, how does a Christian teenager decide how to live? The youth will be starting a 4-week study where they will be encouraged to make every decision out of a worldview shaped by God's Word and centered around our Savior, Jesus. Youth will be pushed to abandon the idea that choices made in youth are temporary and meaningless, and instead to make decisions now that will impact both their lives and God's Kingdom for eternity.

Children's Church updates

This month the we are learning about "God's Promises - His covenant with His children."

Wednesday Bible study Updates

We will continue our study: Genesis to Revelation- "Back to the Future"
In this study, we will continue looking at prophecy through out the Bible and connecting them with fulfilled and future events that are and will be taking place according to God's Holy Word. Almost one-third of the Bible is made up of Bible prophecy. Prophecy is a major part of divine revelation from God. It gives us a proper prospective on life and helps us to understand the whole Bible. Prophecy also motivates us to live Godly lives in light of eternity and proves the truth of God's Word.
Please join us in this exciting study!
