Welcome to a time of building relationships with others and enjoying an encounter with God. When like-minded people gather to praise the Lord there is freedom and joy. Thanks for being a part of this wonderful experience.

Homework for Nov. 20 - Read Joshua 11

When God called Dorcas and I to help plant New Life of Currituck almost 20 years ago, He spoke to us about creating a picture of family fellowship. Developing a relationship with God and others that is a blessing to all. We pray you sense and experience that today as you worship God next to others. “But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin.” 1 John 1:7 Would you be willing to join the vision of developing family fellowship? Become involved.

Youth updates
The myth of a perfect family can lead to disappointment, frustration and anger. There is no perfect family. But many teenage students struggle with expectations and authority from their parents. In the next four weeks, the youth will be given practical and Biblical instruction on how to help repair and build healthy relationship with their parents

Children's Church updates
For the month of November, we will be discussing how, “Honoring God & Submitting to His Will” with our lives, yields peace, joy, truth, and so much more... Drawing near to our Heavenly Father helps us understand His ways and helps us to be more like Him. May we all become more and more like Jesus every day and be empowered to reach the world with the Gospel. During the Month of November we will also be preparing for our Children's Christmas Presentation, which will be filmed during our class time over this month and Presented at the Christmas Eve Service. Please encourage your child/children to be apart of the blessed celebration.

Wednesday Bible study Updates
We will continue our study: On the book of Ephesians. The Book of Ephesians has been called ‘The Third Heaven Epistle’ and the ‘Alps’ of the New Testament. It is rich concerning the position of the believer in Christ and how that position plays in our walk. Unlike many of the other epistles, Ephesians wasn't written to correct errors within the Church so Paul had a free hand to declare the greatness of the Gospel and the worth of the One who makes the gospel great - Jesus Christ. And that is what draws us to this study! It has been called "Paul's third-heaven epistle" because it often takes the believer into 'the heavenly realms' revealing heavenly truth from God's perspective and even from before the foundation of the world.

Worship Team Updates
When you turn your worries into worship, God will turn your battles into blessings.

Nursery updates
“Give thanks to the Lord, for He is good, For His mercy is everlasting.” Psalms 107:1 For November we will talk about what being thankful means.

School Adoption Updates
We had a few request last month from CCMS for school supplies and food. We were able to fill those request with funds that were donated. However, that account is dwindling and we could use some financial donations. Please prayerfully consider giving to the school adoption fund.

OCC Updates
