Homework for Oct. 16 - Read Joshua 6

When God called Dorcas and I to help plant New Life of Currituck almost 20 years ago, He spoke to us about creating a picture of family fellowship. Developing a relationship with God and others that is a blessing to all. We pray you sense and experience that today as you worship God next to others. "But if we walk in the light, as he is in the light, we have fellowship with one another, and the blood of Jesus, his Son, purifies us from all sin." 1 John 1:7

Would you be willing to join the vison of developing family fellowship?

Become involved.

Youth updates

Students have more access to entertainment, education, social networking and material "stuff" than ever before, yet they often feel confused and empty.

In the month of October, youth will be doing a series titled "Am I Happy". We will discuss the trials and struggles they face in their search for happiness. We will also be defining and searching for the true meaning of joy.

Children's Church updates

For the month of October, we are continuing our series study on "Gods Promises to His Children-God's Covenants" The Old Testament is filled with stories of deliverance for God's people. His people were covered with supernatural protection, long life, health and many other blessings and benefits as long as they walked in obedience and faith. Jesus came to give us life and life more abundantly. He became the substitute and took our punishment for sins we commit. He took our sickness, poverty, fear. anxiety and redeemed us from the curse brought on this world trough sin. God keeps His promises to His children.

Wednesday Bible study Updates

for the month of October. We will be finishing up our series Genesis to Revelation on week one in October.

We will then begin a new series studying the Book of Ephesians

The Book of Ephesians teaches us God's plan for His people, from "Ash heap to the throne of Glory". It is filled with encouragement and instruction, both on our priority in life (God and His glory), as well as on unity in Christ and how that unity calls us to act toward others.

Please join us in these exciting studies!

Worship Team Updates

There's no greater act of worship than giving God all of you!

Nursery updates

But the fruit of the Spirit is love, joy, peace,

patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law."

Galatians 5:22-23

Over the next two months we will talk with our little ones about what each of these means

School Adoption Updates

Please continue to keep the staff and students in your prayers. We collect financial donations year round, so that we are able to provide for any needs that arise. If you feel led to give just choose school adoption on the tithe envelope or on the giving link of the app. Thank you for supporting our schools.

OCC Updates

We are still in need of some items to reach our goal of packing 300 shoeboxes. Please see the updated wish list for the items needed. We are also collecting money this month to cover the cost of shipping the shoeboxes. Please prayerfully consider donating funds for this.
