Homework for Sept. 25 - Read Joshua 3

Spiritual growth we pray is a desire for every believer in Christ Jesus. For you today we hope that you are seeking Jesus and His love desire for your life.

"But speaking the truth in love, we are to grow up in all aspects into Him who is the head, even Christ, from whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love."

Ephesians 4:15, 16

We are praying for you.

Youth updates

Teenagers are constantly advised toward one extreme after another. Their parents and teachers likely push them toward maturity and responsibility. Friends usually suggest conformity to peers and pursuing that which will bring the most immediate pleasure. The image portrayed by many musicians, actors, and athletes glorifies drugs and untamed selfishness. With all of these conflicting views, how does a Christian teenager decide how to live?

In this Bible study, Eric Mason encourages students to make every decision out of a worldview shaped by God's Word and centered around our Savior, Jesus. Eric calls teens to abandon the idea that choices made in youth are temporary and meaningless, and instead to make decisions now that will impact both their lives and God's Kingdom for eternity.

Children's Church updates

For the month of September, we are continuing our series study on "Gods Promises to His Children-God's Covenants"

The Old Testament is filled with stories of deliverance for God's people. His people were covered with supernatural protection, long life, health and many other blessings and benefits as long as they walked in obedience and faith. Jesus came to give us life and life more abundantly. He became the substitute and took our punishment for sins we commit. He took our sickness, poverty, fear, anxiety and redeemed us from the curse brought on this world through sin. God keeps His promises to His children.

Wednesday Bible study Updates

We continue our series Genesis to Revelation- "Back to the Future"

In this study, we will continue looking at prophecy through out the Bible and connecting them with fulfilled and future events that are and will be taking place according to God's Holy Word. Almost one-third of the Bible is made up of Bible prophecy. Prophecy is a major part of divine revelation from God. It gives us a proper perspective on life and helps us to understand the whole Bible. Prophecy also motivates us to live Godly lives in light of eternity and proves the truth of God's Word. Please join us in this exciting study!

Worship Team Updates

Worship gets you through the hardest times in your life because it shifts your focus from the problem to the problem solver.
