

Social Contagion

Acts 5:17-29 AMP

- Contagion- the transmission of a disease by direct or indirect contact
- When is the last time you were challenged on what you say you believe in?

Social Contagion

Acts 5:17-29 AMP

- Read Acts 5
- How we process knowledge is a sign of whether or not we are spiritually diseased
- Being honest requires more from us, the more we are entrusted with, the more we are responsible for

Social Contagion

Acts 5:17-29 AMP

- If you really put Christ first, it will be evident in every area of your life
- You should never stay where you are comfortable instead of going where you can get all that God has for you
- Get rid of the contagion by asking the Lord to reveal it
