- If we exercise our authority on earth, whatever we allow or deny will be allowed or denied in heaven.
- People often think God allows bad things to happen, but if you allowed bad things, practices, or laws on earth, they will occur because of ***you***.
- God can stop things if we as believers with our authority come together and bind them on earth.

- How can you push rights that contradicts the idea of God?
- You don't belong to Jesus unless you do the will of the Father.
- You can't quote "God knows my heart" and your heart is far from His will.
