Revelation 3:14-22

Listen Series

Life Change: We see truthfully and open the door to Jesus.

If you knew, you would be impressed by him.

Jesus is the real rock star.

14

He is the “so be it.”

He is the true and faithful witness.

He is the Creator.

Jesus addresses Laodicea.

14

Laodicea is wasting their time in the sewer.
Jesus shows them where they really are.

15-17

Jesus mocks their imagined condition.

Jesus exposes their true condition.

Jesus encourages a return to grace.

18-20

Dependence on Christ alone leads to true riches.

His love is shown in chastisement and discipline.

He is ever ready to fellowship with those who repent.

Jesus reminds that all Christians will reign with Him.

21-22

This is a millennial promise.

It is a result of being in Christ the conqueror.

In the letters to the 7 churches:

We see more of who Jesus is.

We learn what He has done for us.

We are told what we should do in response.
