Life Change: We are people of the restoration

Pressure

Amos sees vision #5 – the altar	1-10
God stands beside the altar	1
God destroys the assembly	1-4
God is almighty	5-7
God will rescue a remnant	8-10
God promises restoration	11-15
The Day of the Lord is further explained	
Gentiles will bear YHWH’s name!	

At the Jerusalem Council, James cited Amos 9:11-12 as proof that the Gentiles of his day need not be circumcised and live as Jews in order to be saved (Acts. 15:1-20). James was aware that Israel’s judgments were not yet over (cf. the Lord’s statements regarding the coming destruction of the temple and renewed persecution and death, Matt. 24:1-22; Luke 21:5-24) and that the restoration had not yet begun (cf. Acts 1:6-7). But James also knew from Amos’ succinct statement and from extended passages in other prophets that when the promised kingdom would come, the Gentiles will share in it as Gentiles and not as quasi-Jews. Since this was God’s millennial purpose, James concluded that the church should not require Gentiles to relinquish their identity and live as Jews. James was not saying the church fulfills the promises to Israel in Amos 9. He was saying that since Gentiles will be saved in the yet-to-come Millennium, they need not become Jews in the Church Age.

Scientist claims life on Earth was not random...but engineered
Chris Melore, Science Editor for The Daily Mail 8 September, 2025

A wild new theory has claimed the origins of life on Earth were delivered by aliens who were terraforming the planet into a habitable world billions of years ago. Robert Endres, a scientist from Imperial College London, said that the building blocks of life on Earth might be too complex to have formed naturally, meaning they would have needed something (or someone) to help kickstart the process.

The scientist added that the natural formation of life without any help was unlikely because the amount of chemical ‘order’ needed to form the first simple cells would have been too much to come together in just 500 million years.

Researcher Robert Endres said the formation of complex cells billions of years ago would have been too unlikely without help to kickstart the process

Day of the Lord

The wolf shall dwell with the lamb
Isaiah 11:6

**9:13 the plowman will overtake the reaper
and the one who treads grapes,
the sower of seed.**

Quite literally, God tells us that the land will be so productive in the millennial kingdom that the farmer who plows – an October activity – will wait for the reaper who should have completed his work in May. The grape stomp in July will observe another new planting season in July. The grapes will lie so full on the vines that the mountains will appear to drip with wine.

The Davidic Covenant is affirmed. *I will restore the fallen shelter of David*

- This Davidic covenant is the expression of Abraham's covenant with YHWH that concerns the promise of ruling righteously.

The Palestinian Covenant is affirmed. *I will plant them on their land.*

- This Palestinian covenant is the expression of Abraham's covenant with YHWH that concerns the promise of land.

The Gentile blessing is affirmed. *All the nations that bear my name.*

- This blessing is part of the Abrahamic covenant, as YHWH said, "all the earth will be blessed through you."

At the Jerusalem Council, James cited Amos 9:11–12 as proof that the Gentiles of his day need not be circumcised and live as Jews in order to be saved (Acts. 15:1–20). James was aware that Israel's judgments were not yet over (cf. the Lord's statements regarding the coming destruction of the temple and renewed persecution and death, Matt. 24:1–22; Luke 21:5–24) and that the restoration had not yet begun (cf. The altar envisions immense pressure where God's holiness obliterates sin and false religion.

The restoration will physically be different in the millennium – so different that pressure physics, sin, and productivity are altered. And there is a *spiritual* restoration as well. Jews & Gentiles who trust Jesus will all be inside Jesus' s^erôr.

Pressure like a grip, grip, grip, and it won't let go, woah
Pressure like a tick, tick, tick 'til it's ready to blow, woah, oh, oh
Who am I if I can't carry it all?
If I falter
"Surface Pressure" by Lin-Manuel Miranda

Taking on pressure is a ridiculous exercise for people who know the true Creator! When you feel that pressure, stop. Pray. Remember who is the Creator & Recreator. Choose to rest in His hand, where the pressure is off.

Applications for Amos 9

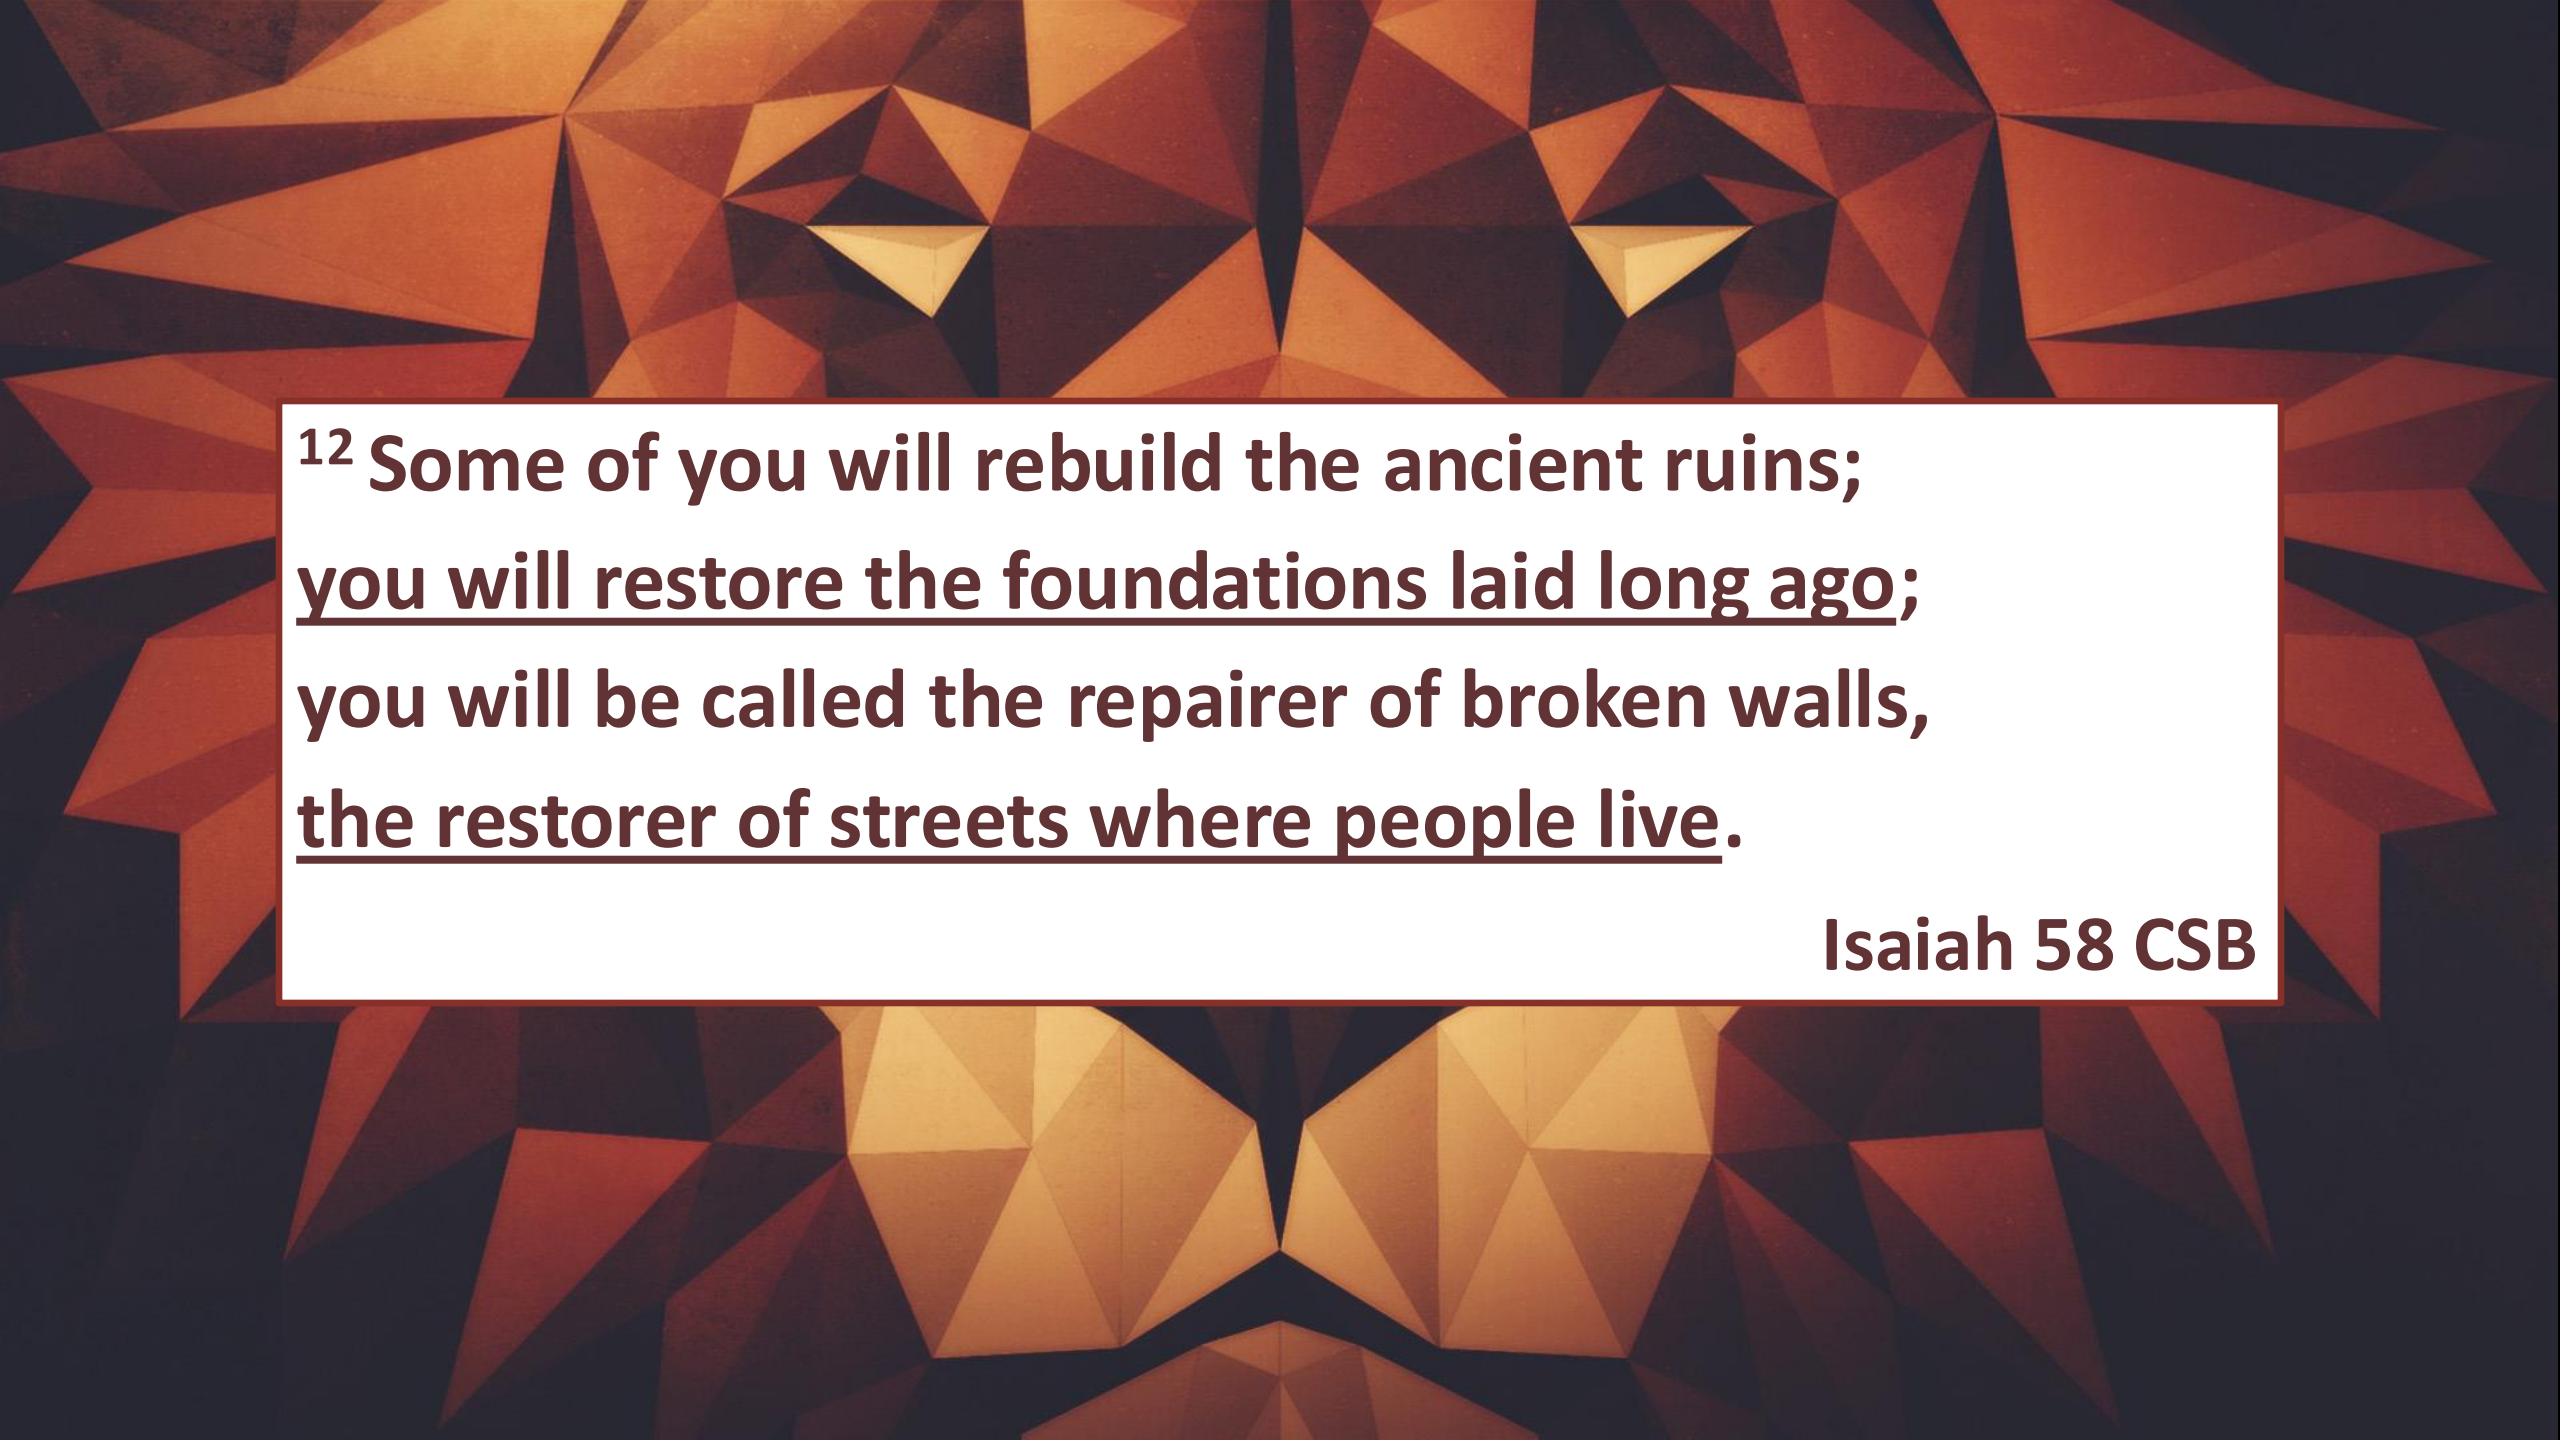

- **Trust Messiah Jesus.**
- **Stop accepting false pressure.**
- **Be people of restoration.**
