Learn more every time...

Jesus is...
The Holy One.

7

Authentic.

The One who has the key of David.

Sovereign Lord.

Jesus commends the church...

8

For maintaining their witness to Christ.

For keeping scriptural fidelity.

For doing so by grace.

Maintaining witness:

I have minimized or hidden my Christianity in order to be more popular.

I have lived in fear of humans.

I have muddied my witness with sinful behavior.

Scriptural fidelity:

I have worked to make scripture say what I want.

I have used "that was then" excuse to change meaning.

I have shown lazy lack of discipline in Bible study.

Operating by grace:

I have tried to do good by my fleshly power alone.

I have gone a day without actively trusting God with anything.

I am distanced from redeemed community.

Jesus rewards the church.

8-10

The church is granted an open door.

The church will be vindicated.

The church will be removed from the testing to come.

Jesus exhorts the church.

11

He is coming soon, according to His measure.

They should hold on.

Jesus blesses the church.

12-13

He reminds Christians that in Him they overcome.

He promises permanence of place.

He promises breathtaking closeness, acceptance, and unity.
