The Conquest Of Obedience Series

Life Change: We surrender to be tools in the Lord's hand.

The surgeon's scalpel...

All of these great life experiences came to us because of three simple words: salvation, surrender, and service. The day Joan and I placed our faith in Christ the Lord was the day of our *salvation*, the point in time when we received forgiveness and life everlasting. Months later, in an act of *surrender*, we placed our lives in the Father's hands so that He could use them for good and spiritual purposes. Then guidance came that our *service* would be to love, to heal, and to teach the people of a land we now call Bangladesh.
