A Godly Mindset

*"God gives wisdom, knowledge and happiness."
Ecclesiastes 2:26*

I recently ran across an interesting article from Crisis Magazine, a Catholic publication. It stated that due to the pervasive and instantaneous nature of world news today, people are more likely than ever to get depressed, angry and frustrated since there's nothing anyone can do about the relentless flow of bad news. So, instead of giving in to anger over what we can't control, adopt a peasant's mindset. Peasants knew little beyond what was happening in their own little community. They focused on the here and now, on things they could do something about. Their priorities were the harvest, repairing the church roof, planning for the next church or community event. Like them we could ignore what is happening in Washington or Ukraine and dedicate our focus on our own lives and relationships.

No doubt, it is easy to become fixated on news and politics and solving the world's problems. But perhaps there's a better way to fight against it than adopting a peasant's mindset. How about focusing on something else, on something that's always wholesome, on something that can actually put things into a proper and godly perspective that provides us with hope, optimism and joy?

Long ago Solomon wrote, "I have seen the burden God has laid on the human race. He has made everything beautiful in its time. He has also set eternity in the human heart; yet no one can fathom what God has done from beginning to end ... I know that everything God does will endure forever; nothing can be added to it and nothing taken from it." (Ecclesiastes 3:11,14).

God's Word teaches that no one and nothing can take away what God decides to give. For example, consider that God has given us the greatest gift of all, his love and forgiveness in Christ, and there's no one and nothing that can separate God's children from his love (Romans 8:35). Nor is there anything a person can add to God's plan of salvation. It's complete, every bit of it furnished by God himself for us so that what we have from him is perfect, "the gift of God—not by works, so that no one can boast" (Ephesians 2:8,9).

Worry about current events or possible future catastrophes erodes away the joy God wants us to have and actually gives to us in Christ. Worry distracts from what is greater, from something so powerful that it erases away every fear—from God's love, which "endures forever" (Psalm 136), from God's Word which "endures forever" (Isaiah 40:8), and from Jesus Christ himself, who "is the same yesterday and today and forever (Hebrews 13:8). Spend more time in God's Word, and less time on the news. You'll not only see things in a more proper perspective, but you'll also find yourself happier and with a much stronger faith too.

— Pastor Timothy Gerbing

EARLY RISERS BIBLE STUDY

“Ecclesiastes” with Pastor Gerbing

Meet Our New Activities Director, Sophia Faustini!

Greet her warmly as you have the opportunity.

You may contact her in the church office at 262-691-0720 ext. 260 or sfaustini@christpewaukee.org.

Hello members of Christ Pewaukee! My name is Sophia Faustini. I am from River Falls, WI – a small town right outside of Minneapolis, MN. I attended St. Croix Lutheran Academy in West St Paul, MN for high school. I visited Germany twice and hosted 5 international students in our home over those 4 years. Following graduation I attended Wisconsin Lutheran College in Milwaukee. I graduated in 2020 with a Bachelor of Science degree in Early Childhood Education and Special Education. Because of the time when I graduated from WLC, I decided to accept a full time role at the Wisconsin Athletic Club Wauwatosa as the head of the Aquatics department. During my time there I was able to work closely with families in the Wauwatosa community and was still able to work one on one with their littles in swim lessons. Following my departure from the Aquatics department, I was transferred to the Glendale location where I spent the last 1.5 years on the sales team.

I now live in Lannon, WI and will be getting married on June 15, 2024, to my fiancé, Johnny. Fun facts about us - Johnny is a golf professional, so we spend a ton of the year outside playing golf! I also have a rescue cat named Maple; she is the most vocal and gentle cat. Apart from myself, I have one older sister and 3 brothers (2 step brothers and 1 half-brother). My sister & her husband have blessed our family with my two very cute nieces with a third on the way that you may hear me talking about often!

I look forward to this new chapter of our lives and the opportunity to serve Christ Pewaukee as the Activities Director! I look forward to meeting and working alongside many of you!

Lambs of Christ Learning Center

March was filled with lots of learning for both our staff and students! Staff participated in professional development days to equip them in offering the high-quality care that we have here at Lambs of Christ. We also sang in church and shared the message of Jesus, our Savior, in preparation for Easter Sunday! During Holy Week, we also offered some extended care for families who had the need.

In April we look forward to another month full of fun activities. The week of April 1-5 includes parent teacher conferences, a time where families and teachers can reflect on the growth and learning that has happened so far this school year. They also create goals for the rest of the school year and discuss any transitions ahead, such as moving up to a new classroom in fall. During that week, we will also host our book fair! (See that announcement at the top right of this page.)

During the week of April 8-12 we will celebrate the National Association for the Education of Young Children's Week of the Young Child! This week has fun filled days that embrace the importance of early childhood development and all the learning that happens during these early years. The themed days include Music Monday, Tasty Tuesday, Work Together Wednesday, Artsy Thursday, and Family Friday. Be sure to follow us on Facebook to keep up with our special week!

Registrations continue to come in for our Summer Camp (June 17 through August 23 for ages 12 months through 8 years) and the 2024-2025 school year (September 3, 2024 through June 13, 2025 for ages 12 months through 5 years old). If you are thinking of enrolling, don't delay! Register today or get on the waiting list if the classroom is full. We are also looking for energetic individuals looking to share God's love with his little lambs, both in the summer months and for the upcoming school year! Would you like to join our team? Check out our webpage for up-to-date registration information (www.christpewaukee.org/lambs-of-christ) or contact our office at 262-691-0720 ext. 110 or lclc@christpewaukee.org.

From Your Parish Nurses... Insect Bites

Most insect bites and stings are mild and can be treated at home. They might cause itching, swelling, and stinging that go away in a day or two. Some bites or stings can transmit disease-causing bacteria, viruses, or parasites. Sometimes stings from bees, yellow jackets, wasps, hornets, and fire ants might cause a severe allergic reaction (anaphylaxis).

Suggested ways to treat a mild reaction to an insect bite or sting:

- Remove any stingers.
- Gently wash the area with soap and water.
- Apply a cloth dampened with cold water or filled with ice to the area of the bite or sting for 10-20 minutes. If a bite is on an arm or leg, elevate it to help reduce pain and swelling.
- Apply to the affected area calamine lotion, baking soda paste, or 0.5% or 1% hydrocortisone cream. Do this several times a day until your symptoms go away.
- Take an oral anti-itch medicine (antihistamine) to reduce itching (such as non-prescription cetirizine, fexofenadine, loratadine, and pain reliever).

Seek medical care if the swelling gets worse, the site shows signs of infection, or you don't feel well.

Call 911 or your local medical emergency number if stung by a scorpion or having a serious reaction that suggests anaphylaxis, even if it's just one or two signs or symptoms:

- Trouble breathing
- Swelling of the lips, face, eyelids or throat
- Dizziness, fainting, or unconsciousness
- A weak and rapid pulse
- Hives
- Nausea, vomiting, or diarrhea

ELDER'S MESSAGE

Often I hear people say these two phrases: "I better go to church this Sunday" when they do something that makes them feel guilty. "I'm glad I went to church last Sunday" when they were able to avoid a possible catastrophe in their lives. Although saying this may make people feel good and aware of God, do they actually follow through? They should be praying and thanking God for forgiveness and his mercy always, not only during one specific event in their lives. When we hear people say these comments we should gently remind them about the importance of regular church attendance/bible study and to keeping his Word in their hearts everyday.

Some of the many reasons we attend church services regularly are to praise, worship, and thank God through Jesus Christ.

Attending church regularly reminds and assures us of God's grace and the forgiveness of our sins through Jesus Christ. We should worship God not only on Sundays but every day of our lives.

Attend church weekly to hear his Word and message, to be strengthened, encouraged, and receive his promise of life eternal. Keep his message in your heart throughout all your days.

"Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the spirit" (Colossians 3:16).
