Mission of the Month: United Methodist Special Sundays

Throughout the year, United Methodist churches across the globe participate in Special Sundays—designated days that focus on ministries that reflect our shared commitment to love, justice, learning, and unity. Our June Mission of the Month supports the work made possible by these five offerings:

- **Human Relations Day:** Helps strengthen communities by supporting neighborhood ministries and programs that advocate for at-risk youth and promote restorative justice.
- **Native American Ministries Sunday:** Supports Native American congregations and provides scholarships for Native American seminary students.
- **Peace with Justice Sunday:** Empowers United Methodists to address systems of injustice and work toward peace through advocacy, education, and action.
- **World Communion Sunday:** Provides scholarships for international and U.S. racial-ethnic students pursuing graduate-level studies and church leadership.
- **United Methodist Student Day:** Offers scholarships and loans to deserving United Methodist students to further their education and answer their callings.

Together, these Special Sundays allow us to extend Christ's love and hope in tangible, transformative ways. Thank you for giving generously to support these vital ministries.

Flags of Gratitude and Respect

The wooden flags displayed in front of the sanctuary during the Memorial Day and Independence Day holidays were handcrafted by Mike Smith as a tribute to the brave men and women who have served our country. These flags stand as a meaningful symbol of gratitude and respect for our nation's veterans.
