## Mission of the Month: Barakah-ONG & Africa University

This July, Wesley UMC proudly supports Barakah-ONG and Africa University, two ministries making a lasting impact in Africa. Thank you for your prayers and support in advancing these vital missions of care and education across the continent.

**Barakah-ONG** is a faith-based organization in the Democratic Republic of Congo, founded by Pastor Melly, who is leading the effort to build an orphanage that will provide a safe and loving home for vulnerable children. This important project is already underway, and with continued support, it will become a place of hope and care for many children in need.

**Africa University**, a United Methodist-related institution in Zimbabwe, empowers students from across the continent with quality higher education rooted in Christian values. Graduates become leaders in fields such as agriculture, health, education, and ministry, helping to build stronger communities. The Illinois Great Rivers Conference (IGRC) has a deep and ongoing connection with Africa University, dating back over 37 years to when it was first established by a vote of the 1988 General Conference in St. Louis, MO. Wesley UMC is proud to be part of this legacy of support.
