"We Will Rock You/We Are The Champions"

The two Queen songs can be played separately from each other and together as well. The songs were a double A-side record, meaning the royalties go together, and the radio stations most likely play them together, but they are two different songs—one written by Brian May and one by Freddie Mercury.

Discussion Questions:

- 1.) Pastor Ned Lenhart shared during the message why these songs impacted him. How did Ned's relationship with God change the "Loser" label he carried?
- 2.) Romans 3:23-24 says, "for all have sinned and fall short of the glory of God, and all are justified freely by his grace through the redemption that came by Christ Jesus." How does Jesus' life, death, burial, and resurrection change your worldly definition of champion? How does this verse help you see the truth of Jesus as the only true champion of the world?
- 3.) In the message, Pastor Ned asked, "Where are you feeling like a loser?" How can you change the narrative of loser in your own life? What steps can you take toward health and life in Christ?
