Central Lutheran Church

On Sunday April 30th we welcome students from the Lutheran Campus Ministry program at UW-Stout. They are an independent campus ministry site serving UW-Stout, not funded by the University or by one congregation. They serve over 40 students and rely 100% on donations and church support.

The Lutheran Campus Ministry program has a weekly Monday night meal for students, followed by a faith discussion, speaker or student-led worship. They help students to build positive and trusting relationships with other students and community members. They also provide a safe and open place for students to delve into their faith and ask questions.

Informational sheets and special offering envelopes are on the back table as you exit the worship center if you would like to support this youth ministry program.
