Prayer for the Week:

“Lord, may I submit to you this week and through my submission come to know you deeper and see you as a bigger God than I have in the past. May my view of you, your will, your goodness, and who you are grow larger. Thank you, Father, for the truth that it is not my feeling that proves my salvation but the Truth of what Jesus did on my behalf. Thank you for the promise that all holiness is mine because all of Jesus is mine and that what Jesus did on my behalf is my new inheritance. This week I choose to bless you for my faith, the righteousness I now enjoy, and the hope I have for my future. I rejoice when I realize all things are at your disposal and I love to leave them there. May my heart break for what breaks yours, may I be your hands and feet, may I have courage to be open to the opportunity to share your Good News, and may I have the faith to know that you will plant the seed, water the seed, and cause the seed to blossom. Lord, you are mighty and all powerful. I rest in your plans this week knowing what you have promised you will accomplish in your way, your time, and for your glory and my growth.”
