ENGAGE – THE WORD

Can you believe that we will be having our first service in the building. The tent sustained us for 7 years now it is time to step into the promise land.

Ask the members the following questions to get them to interact:

- Share your favourite memory, from the tent.
- What does the tent mean to you personally?

Pastor mentioned 5 points, now let us have a good discussion:

1. THE TENT AS A STEP OF FAITH

Get two people to read: Hebrews 11:9 & Psalm 119:105

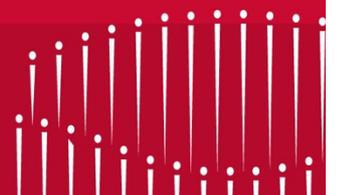

- What has been a “tent moment” in your life, when God asked you to step out before you had all the details?
- Why do you think it’s hard to make decisions based on God’s capacity instead of our own security?
- How do faith and wisdom work together when God calls us to move without full certainty?
- What would it look like for our church (or you personally) to be “on the move” in faith right now?

2. THE TENT BECAME OUR FIRST REAL HOME

Get someone to read: John 15: 1-2

- What did the “tent season” teach you about trusting God as your provider and not giving up?
- Why do you think God often uses ordinary or hard seasons to prepare us for growth later?
- How can we steward the season we’re in right now instead of waiting for a “better” one?

- What does it look like to sow faithfully in a difficult or winter season, even when it's uncomfortable?

3. THE TENT THROUGH THE STORMS

Get someone to read: Acts 8:4

- How has a storm or season of uncertainty forced you to adapt or think differently?
- What's an example of something that felt limiting at first but God used to expand you?
- Why do you think God reshapes the mission during storms instead of stopping it altogether?
- How can we choose to stand firm and stay faithful when a season feels like survival mode?

4. THE CHALLENGES OF THE TENT

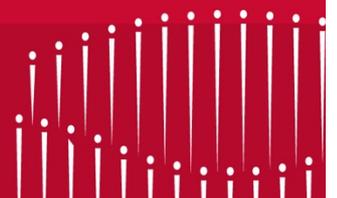

- Why do you think God allows pressure instead of always making the path easy?
- How can we tell the difference between a hard season that's shaping us and one we're resisting?
- What kind of strength or character can only be developed through resistance and discomfort?
- How do we make sure pressure builds our faith instead of breaking us?
- What is one way God might be preparing you now for what's coming next?

5. GRATITUDE WITHOUT STAYING

Get two people to read: Deuteronomy 1:6 & Psalm 127:1

- How do we honour a season God used without staying longer than He intended?

- What are signs that God is calling us to move on rather than “build a house” in a tent season?
- Why does a new season require more maturity, discipline, and responsibility from us?
- How can growth and success tempt us to loosen our surrender, and how do we guard against that?
- What convictions must stay the same even when our environment changes?
- What does it practically look like to “create space” and trust God to fill it?
- What is one sacrifice or decision God might be asking you to make to stay on your knees in this new season?
